Doral Academy PTSO Fire Mesa

Voice Your Idea

Have an idea for an event or something you feel this school should implement? Have your voice be heard. So many of you have wonderful ideas and experiences from past schools and we want to hear them. Please share your thoughts below and email to doralfiremesaptso@gmail.com or just drop it off to the front desk and label it PTSO. Let's make this school the best it can be! Things already in talks for this school year are: family dance, movie night, field day, winter wonderland holiday gift store for the kids, popcorn fundraiser for the school garden, spring fling, APEX, book fair, uniform exchange, and a recycling program. We will need your help and expertise for all the these things too. You can head a chair or just a join a committee depending on how much time you have. Without you, these events will not be as successful as we hope they will be for everyone to enjoy!
