

## Doral Academy Fire Mesa PTSO Sponsorship

Doral Academy is the only art integrated charter school in Las Vegas, NV. In addition to the required courses, our students take specials as part of the curriculum such as violin, dance, media, spanish, music, and art just to name a few. We are a Pre K-8 school and have 900+ students. We are looking for sponsors to help support and enhance our school. This is a wonderful and rare opportunity to advertise to our students' parents'.
